

***How can I motivate my children to know
and love God?***

Perhaps you are a new parent, or about to be a parent. You're excited—but also a little fearful. You wonder, “Can I really raise this child to know and follow God?”

Maybe you've been a parent for several years now, and are facing challenges that seem overwhelming at times.

Or maybe your children are grown, and you now have the opportunity to influence your grandchildren to walk in God's way.

This book is for you. In 40 brief devotionals, you will look into passages from God's Word that relate to your high calling of parenting. As you read the passages and think about the questions, you will discover valuable wisdom to aid you in the important task of bringing up your little ones to walk with God.
